As part of the Engineers Week 2020 festivities to be held February 16-22, the Central Pennsylvania Engineers Week Council is offering interested firms and organizations the opportunity to set up a presentation display at the Colonial Park Mall. Our goal is to further the exposure of engineering firms and organizations to the general public.

If your firm or organization is interested in having a display at the Colonial Park Mall, please complete and return the following form. We are trying to reach as many engineering related firms and organizations as possible, so please forward this letter to anyone within your company or organization that you feel may be interested. There is no charge to display.

My organization would like to participate by having a display at the Colonial Park Mall.

Representative: ___________________________ Date: ____________
